

## Workshop Modern Slavery and the Governance of Global Value Chains (Edited Collection)

**13-14 September 2021**

Book proposed for the Cambridge University Press Book Series: **Development Trajectories in Global Value Chains**. Series eds. Stephanie Barrientos, Gary Gereffi, Dev Nathan, and John Pickles.

Book proposed by: Hila Shamir, TraffLab (ERC) and Tel Aviv University Faculty of Law (Israel); Bimal Arora, PROGRESS Project (IDRC) and Manchester Metropolitan University Business School; and Shilpi Banerjee, American University in Dubai (UAE) and PROGRESS Project (IDRC).

In this workshop authors of the forthcoming book "Modern Slavery and the Governance of Global Value Chains" will present their chapters. This is this group's second meeting following a **conference** we held in New Delhi in November 2019 titled "Human Trafficking and Supply Chains." Chapters will be pre-circulated to participants.

The workshop is open to the public. Please register using [this link](#)
